Sedgwick County Department on Aging Observes Older American's Month

(Sedgwick County, Kansas) – The Sedgwick County Department on Aging will observe May as "Older Americans Month."

The theme for this year is "What We Do Makes a Difference." This theme was chosen to remind all citizens, regardless of age, including providers of aging services, senior center directors, government officials, community partners and Sedgwick County residents, are essential in making a difference in the lives of older adults residing in Sedgwick County and those who care for them.

"We want people to know that they can make a difference in the lives of seniors," said Sedgwick County Commission Chairman Tim Norton. "And, fortunately, older adults make immeasurable contributions to our community, including volunteer work, care giving, and enriching the lives of future generations."

A reception for Older Americans Month will be held on May 28, 2 p.m. at Larksfield Place, 7373 E. 29th Street N.
